What is equipment leasing?

Equipment leasing lets you acquire the latest hardware and software at a manageable cost while remaining flexible as your technology needs grow over time. CDW gives organizations the option to lease virtually any IT product, from computers and telephony equipment to software and servers, at rates and terms that work for you.

How does CDW leasing work?

With CDW Leasing Services, you have the option to add on or upgrade during the lease term. At the end of the lease, you can choose to return or purchase the equipment. CDW Leasing allows you to make payments over time rather than investing a lump sum up front. Payments can be tailored to budget levels and may be tax deductible.

What is the price for a single U rack space?

A single U rack space in QuoteColo's data centers is suitable for individuals and small businesses to place their company-owned email, web, and application servers offsite in a safe and redundant environment. The price for a single U rack space starts at \$50, depending on the data center location. Typically, per U host packages come with 2Amps 110v per U and 100Mbps bandwidth.

Where can I rent less than cabinet rack space?

Clients can rent less than a full cabinet of rack space from colocation providers such as Equinix and others at popular locations like NY2, NY4, 60 Hudson, 111 8th Avenue, etc. To inquire about this option, please use the Data Center Rack Space Contact methods.
