Where can I find public procurement contracts in Brussels?

Brussels Economy and Employment and the other Brussels administrations publish their public procurement contracts on e-Procurement (with regard to orders estimated at more than EUR 30,000 excluding VAT). Consult online government contracts via e-Notification. (Please refer to the Dutch or French pages for the complete version)

What departments manage government contracts in Brussels?

The government contracts (public tenders) of the City of Brussels are managed within 4 departments. The Purchasing and Facilities Department conceives and manages procurement contracts for supplies as well as services. It is constantly looking for new suppliers and service providers to better meet the needs of the City.

Why do companies bid for energy storage tenders?

Bidding for energy storage tenders is extremely lucrative for companies of all sizes. Tendering authorities and private companies release thousands of contracts worth millions for procurement of energy storage. Global Tenders stands out as the largest platform dedicated to tenders and government contracts.
