**What is a heavy duty deep storage cabinet?**

Heavy duty deep storage cabinets are perfect for both industrial and commercial applications because they are specifically designed to provide extreme security and protection. This type of cabinet also comes with a powder-coat grey finish to help prevent rusting and damage caused by everyday use.

**How much weight can a storage cabinet hold?**

Constructed in 12-14 gauge steel with a shelf capacity of up to 2500lbs. Multiple-gauge steel, space-saving cabinets measuring 4 feet or under. Strong multi-gauge steel storage cabinets mounted to the wall to save valuable floor space. Durable storage that combines security and visibility.

**What makes a good storage cabinet?**

Whether designed with solid-doors that conceal its contents, clear-view doors that offer full visibility, or ventilated doors which allow air to flow, durable storage cabinets keep workspaces orderly and items secure. Constructed in 22-24 gauge steel with a shelf capacity of up to 300lbs.

**What types of storage cabinets do you offer?**

In addition to our regular industrial storage cabinets, we offer safety storage cabinets specifically designed to safely store flammable material, gas or propane cylinders, acids and corrosives, and other hazardous materials. Our inventory also includes lateral and vertical file cabinets, file boxes, and more for the office.
