Which Daka grid organizer should I Choose?

For those who do not have a case that has a precision fit DAKA GRID Organizer system, we recommend the DAKA Universal GRID Organizer. The Universal GRID is a fully customizable, cut-to-fit hard case solution that secures and protects important equipment, no matter what case it's going into.

What are EPP Daka grid panels & blocks?

Our EPP DAKA GRID Panels and Blocks provide a unique solution every time you load your case. You'll get more protection, a custom layout, and easy cleanup when it's needed. Though it's made of super-strong, flexible material that holds and protects better than foam, that doesn't make it hard to work with.

What is Daka grit?

DAKA Grit material provides advanced environmental, dirt, and wear protection for your gear. MOLLE-style base includes reconfigurable DAKA Gear Straps to secure a rifle or other gear. Also includes multiple flexible, easy-access pockets, plus two zippered pockets for extra security. Explore Magpul's versatile grid system.

What is a Daka soft case?

For those times when you're carrying your firearm with you by hand from Point A to Point B and you don't need the serious protection of your Hard Case, we've developed DAKA Soft Cases. They're a travel bag for your car, the range, or a hunt, and they're designed with weight, speed, and flexibility in mind.
