Do high density drawer storage cabinets come with a shelf cabinet?

Some high density drawer storage cabinets on wheels also come with a shelf cabinet. The shelf cabinet has a base shelf and an adjustable shelf as well as a locking swing door. Both drawer cabinets and shelf cabinets come with standard locks. This will help keep your tools and parts safe and secure.

Why should you choose Lyon metal drawer storage cabinets?

The mesh liners let you use drawers for tools to keep them from shifting around. Take your tools and gear on the go around the shop or facility with Lyon metal drawer storage cabinets on wheels. Storage drawers provide 100% visibility of stored tools when fully open. A modular drawer can hold up to 400 lbs.

How many casters does a mobile storage cabinet have?

Heavy-duty mobile storage cabinets with drawers include 2 fixed casters and 2 swivel casters with brakes. Casters are 6-inches in diameter and 2-inches wide with combined capacity of 2,800 lbs. The caster tread also does not mar floors. The tubular handle and rubber end caps allow for easy moving of the tool drawer cabinet around the shop floor.
