Who makes electric vehicle charging stations & cabinets?

*Indicates a required field Dalsin Industries manufactures electric vehicle charging stations and cabinets for the ever-growing electric vehicle market. Call us today to get started on your next project!

Why should you choose Machan for your EV charging station?

Machan possesses the capability to design rack-style sheet metal cabinets that meet the diverse application needs of EV charging stations. Our modular design approach not only fits a wide range of usage patterns but also highlights the advantages of modular architecture. Achieving IP-Level Waterproof Standards, Enhancing Durability and Reliability.

Are charging stations a one-size-fits-all?

When it comes to charging stations, there's no one-size-fits-all answer. Some applications need enclosures with specific sizes and shapes. Others need doors, wiring access ports, or locking mechanisms. We welcome OEMs with existing design blueprints and those still on the drawing board.

Who can use the e-bike charging station?

Each compartment has a power module with two fused sockets. In addition to business and public authorities, schools, universities, airports, restaurants, cafés, hotels and other public buildings can also be equipped with the e-bike charging station for outdoor use.

With our enclosures, you can deploy your charging infrastructure faster and more efficiently, thanks to our rapid installation solution that significantly reduces time, cost, and labor.
