Where is PJAS furniture made?

Headquarters: Bandung, Indonesia Products Offered Include: Office cabinets, kitchen cabinets, hotel furniture, and custom furniture solutions. PJAS focuses on producing and selling a wide range of furniture, including cabinets for offices, schools, hotels, and outdoor settings.

Why should you choose a Jakarta factory?

Jakarta factory operational since 2019 with proven production lines, trained local workforce, and established quality control systems meeting international export standards.

Who makes the best kitchen cabinets?

WISANKA stands out among the best kitchen cabinet makers thanks to its multi-division setup and capacity to ship up to 15 forty-foot containers monthly. This top cabinet brand seamlessly blends artisan craftsmanship with machinery precision, ensuring quality across indoor/outdoor furniture, cabinets, and decor.

Our Indonesian operation was specifically designed to serve both the US cabinet market and local Indonesian clients, leveraging Indonesia's cost advantages and skilled workforce.
