This is our outdoor energy storage battery cabinet project in Kenya. This project consists of a total of 24 integrated industrial and commercial energy storage battery cabinets.

We design and fabricate high quality Battery Cabinets from powder-coated sheet steel that ensure long-lasting durability and protection against corrosion, weather, and mechanical damage.

We have heavy-duty battery cabinets now on site for stacking of large batteries for Power back up systems.

Reliable Fabricators Ltd was founded in 2014 with the aim to deliver quality products and services at economically viable prices.
