Is IP54 suitable for outdoor applications?

IP54, just like our other IP enclosures, is suitable for outdoor applications because it is protected against low-pressure water sprays from any direction. However, keep in mind that these enclosures are not entirely dust-tight and waterproof, so very dusty or underwater environments may be too harsh for them.

What is a stainless steel IP54 enclosure?

Stainless Steel IP54 Enclosure KDM manufactured IP54 enclosure to provide top-quality, easily customized cabinets that will perform well in your application. At KDM, our range of IP54 enclosures features a variety of different materials such as aluminum, carbon steel, and stainless steel.

What accessories do I need for an IP54 enclosure?

File pocket (in white) Cable management systems such as cable entry frames and clamps serve to keep wires organized and make them easier to install and maintain. Smaller accessories that you can request for IP54 enclosures include solar shields, rain caps, and lifting eyes.
