Who makes electric vehicle charging stations & cabinets?

*Indicates a required field Dalsin Industries manufactures electric vehicle charging stations and cabinets for the ever-growing electric vehicle market. Call us today to get started on your next project!

Are KDM EV charging boxes safe?

Our EV charger lock box comes with safety lock-out controls that prevent current flow when not connected to a vehicle, enhancing safety. KDM's EV charging boxes are UL-listed and NEMA-certified, ensuring they meet stringent safety and performance criteria.

Are charging stations a one-size-fits-all?

When it comes to charging stations, there's no one-size-fits-all answer. Some applications need enclosures with specific sizes and shapes. Others need doors, wiring access ports, or locking mechanisms. We welcome OEMs with existing design blueprints and those still on the drawing board.
