Check your manual and then get the fully synthetic variant. Pero if bago pa motor mo, I think not fully synthetic is Ok especially if during break-in process para di masyadong magastos.

So the brezza engine oil is 0w16 ecstar idemitsu and it costs 1250rs for 3.3 litres. How in the world is it a fully synthetic oil at such a rate and suppose it's a semi synthetic oil, the engine oil ...

Engine oil Ok po ba ang Shell advance 4t long ride 10w-40 fully synthetic? Any recommendation I have aerov2

I use any full synthetic motorcycle oil that is on-sale (at the correct weight) because oil has advanced so much that they are all the same and you will not notice or experience any difference whatsoever ...

Triumph recommend fully synthetic oil for it. I may have accidentally purchased Castrol Power 1 semi synthetic, as opposed to Power 1 Racing which is Fully Synth. It's the same viscosity ...

Quaker State All Mileage motor oil Best synthetic-blend engine oil A synthetic-blend motor oil provides added protection over conventional motor oil at a lower price than a full synthetic.

Fully synthetic? Semi synthetic? When do you change your oil? Every 5k kms or 6 months; every 10k kms or 1 year? Where do you have your oil changed? How much do you spend on ...

Yeah you will be safe, but Rotella is not anything special, despite the amount of people that chatter about it in forums. Personally I go with 15W-50 or 10W-50 synthetic. Semi-synthetic oil ...
