1) Before the distributor can quote you a price on an equivalent pump, a sales engineer has to identify all the specifications of the existing unit, such as shaft, mounting, ports and displacement, ...

This is a working principle diagram of a solar energy storage system, showing the process from solar power generation to energy storage, use and grid connection.

Your best form is "How much is it?" if you want a natural sound. For "What is the price," it is better to ask "What is the price of ABC" or just "What is the price?" Asking "What job are you?" is ...

I am seeing both 20\$ and \$20 usages. (20 is nonessential to this question.) What is the difference between them?

Our 50KW/100KWH outdoor cabinet energy storage system, with its excellent performance and thoughtful design, is the ideal choice for outdoor energy storage applications.

Etymonline confirms: "1932, from price + -y". Pricey has always been more popular than pricy. Pricey is getting even more popular, while pricy fades in comparison. So the bottom line is: both spellings are ...

Besides, the point I was trying to make is that value is not the same as price - a TV bought at a discount might be worth more than was paid for it, and might hence be valuable but not ...
