Research has to have an element of discovering something new, of creating knowledge. While a literature search is one important part of a research project, it isn't research in and of itself.

To better understand which social media platforms Americans use, Pew Research Center surveyed 5,022 U.S. adults from Feb. 5 to June 18, 2025. SSRS conducted this National ...

Today, most Americans subscribe to home broadband internet and own a smartphone, while about four-in-ten say they're online almost constantly.

Pew Research Center

The conferences covered topics including research and development, application, business, policy, social science, identity and ethics. Center researchers used public information and ...

Pew Research Center is a nonpartisan, nonadvocacy fact tank that informs the public about the issues, attitudes and trends shaping the world.
