What is a datasafe Xe Battery Cabinet?

DataSafe HX battery cabinet systems are factory pre-wired to minimize installation time. The cabinet design optimizes the overall footprint. DataSafe XE batteries, manufactured with Thin Plate Pure Lead (TPPL) technology, are specifically designed for shorter duration autonomies.

What is a datasafe HX Battery Cabinet?

The HX battery cabinet offering now makes the DataSafe HX battery the ideal choice to optimize your UPS system installation, while offering flexibility in allowing customized options enabling you to design the perfect system for your particular application. DataSafe HX battery cabinet systems are factory pre-wired to minimize installation time.

Are lead-acid batteries toxic?

Lead-acid batteries contain hazardous materials. Batteries must be handled, transported and recycled or discarded in accordance with federal, state and local regulations. Because lead is a toxic substance, lead-acid batteries must be recycled rather than discarded. Do not dispose of a battery in a fire.

What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accommodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.

The sealed lead acid battery system is maintenance-free, providing 10 minutes of runtime at full 150kW load, with a recharge time of approximately 2.2 hours. A Battery Management System (BMS) with ...

This manual contains important instructions that you should follow during installation and maintenance of the UPS and batteries. Please read all instructions before operating the equipment and save this ...

The Liebert matching battery cabinet allows installing an optional Alber battery monitoring system in the cabinet. The Alber battery monitoring continuously checks all critical battery parameters, such as cell ...

Technical Support for 150kW Lead-Acid Battery Cabinet
