-----  
How do I request a field IP54 enclosure?

Give us a call at 888-636-2269 or fill out the form and one of our team members will be in contact with you shortly. \*notes a required field IP54 enclosures have a high level of protection against particles and a fair amount of protection against water.

Where can I find the instruction manual for the batteries?

Inside the door there is a document pocket containing the instruction manual for the batteries. The sections can be fixed together to form a single cabinet. Where required, the cabinet is completed by a special compartment or switch/disconnector cubicle containing the protection equipment.

How do I know if my enclosure is IP54?

The code labels an enclosure's IP followed by two numbers; the first digit shows the extent to which equipment is protected against particles, and the second digit indicates the extent of protection against water. Our IP54 enclosures have a high level of protection against particles, and a fair amount of protection against water.
