What is a 42U server rack cabinet?

Our 42U server rack cabinet has a glass front and perforated French rear doors to facilitate airflow. Quick-release, lockable side panels allow for easy access, while increased depth allows for cable management and PDU installation behind equipment.

Are navepoint cabinets heavy duty?

The Commercial Series cabinets define heavy duty - the 42U model holds a static load of 3000 lbs(stationary). The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility,and leveling feet for use when the fully racked cabinet needs to stay in place.

Are navepoint cabinets pre-assembled?

The NavePoint Commercial Series cabinets come pre-assembledfor easy setup and include pre-installed heavy-duty locking casters for mobility,and leveling feet for use when the fully racked cabinet needs to stay in place. These network enclosures feature adjustable square untethered cage nut opening mounting rails with u-markings.
