Are navepoint cabinets heavy duty?

The Commercial Series cabinets define heavy duty - the 42U model holds a static load of 3000 lbs(stationary). The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility, and leveling feet for use when the fully racked cabinet needs to stay in place.

Are navepoint cabinets pre-assembled?

The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility, and leveling feet for use when the fully racked cabinet needs to stay in place. These network enclosures feature adjustable square untethered cage nut opening mounting rails with u-markings.

What is a network cabinet made of?

The exceptionally sturdy welded frame is made of heavy-duty Cold Rolled Steel with a durable, sophisticated Black Powder Coated finish. It's the network cabinet with the right design and construction to bring lasting security and reliability to your high-density build. Comes fully assembled on a pallet due to size.
